**Charter Application of Resume**

For your protection as well as the safety of our yachts, it is important that our bareboat charterers be well qualified. We determine this by carefully reviewing the resumes of the designated skipper and the most experienced crew member. We are looking for several years of well-rounded boating experience and familiarity with boats of the approximate size and type you intend to charter. Satisfactory completion of recognized boating courses is helpful, practical knowledge and experience in navigating and anchoring procedures is essential. Please complete the following resume in its entirety.

**\*School Application of Resume**

When building a successful training program it is important to have some background on the students. Complete this Resume if you are enrolled in a Cooper Boating training program and have previous boating experience to tell us about.
